Purpose

The policy of the Department when spending federal funds is to follow the most restrictive rule applicable under the Department’s adopted Procurement Policy or under the federal Uniform Guidance (2 C.F.R. 200, Subpart D) (“UG”). The purpose of this policy is to identify those areas where the Uniform Guidance requirements are the most restrictive rule. For any federal grant funded project, the specific federal grant guidelines should be closely reviewed, and the granting agency should be consulted as necessary to ensure compliance with the Uniform Guidance.
